

BERKHAMPSTEAD DAY NURSERY

ADMISSIONS POLICY

Berkhamstead Day Nursery welcomes children from the age of 3 months to 4 years and 11 months and is open Monday - Friday from 8am - 6pm, all year-round. We currently support the Government's Early Years Funding Schemes.

The Entry Procedure

Berkhamstead Day Nursery will ask for your child to attend a 'settling in session' to ensure both you and your child will be happy at the Nursery. All 'settling-in' sessions are free and individually tailored to the needs of your child. You'll get a warm welcome from the staff and a big smile from the other children. We are very flexible and will ensure that you and your child are happy. If your child has attended another setting, we will contact them to discuss the child's development and any safeguarding concerns they may have.

Special Needs

We do not discriminate in any way regarding entry. We welcome children with special educational needs, providing that the Nursery can offer them the support that they require. We welcome children with physical disabilities provided that our site is suitable for them.

However, we advise parents of children with special educational needs or physical disabilities to discuss their child's requirements with the Nursery.

We will discuss thoroughly with parents and their medical advisers the adjustments that can reasonably be made for the child if he/she joins the Day Nursery.

Sibling Policy

Most siblings join us at the Nursery. However, admission is not automatic, and it is recommended that the sibling is registered as soon as possible in order to ensure a place is available. Second and third siblings at the Nursery are entitled to 5% discount of the fee. This is calculated net of any other discount already applied.

Religious Beliefs

Although Berkhamstead Day Nursery has Christian roots, we do not select for entry on the basis of religious belief.

Equal Treatment

Berkhamstead Day Nursery's aim is to encourage applications from parents with as diverse a range of backgrounds as possible. This enriches our community and is vital in preparing our pupils for today's world.

Berkhamstead Day Nursery is committed to equal treatment for all, regardless of a candidate's race, ethnicity, religion, disability, sexual orientation or social background.

Entry in to Berkhamstead School

Berkhamstead School is an outstanding co-educational independent school for pupils from ages 3 to 11. Children may transfer from the Day Nursery to the School Kindergarten from the age of 3 years old. Following Kindergarten there is a two-form entry from Reception to Year 6 (no more than 18 in a class in Reception). Deciding on the right school for your child is one of the most important decisions you will ever have to make. Visiting the school would not only help you understand how Berkhamstead deliver education, but it will also help you in your journey to identify the most suitable school; we believe that a personal visit is invaluable. They hold several Open Days, which give a general introduction to the school. Details are published on our website. The school are also very happy to welcome prospective parents and their children at other times. Please contact the school admissions on 01242 523263 or email on admissions@berkhampsteadschool.co.uk to arrange a visit.

Entry from the Day Nursery to the School Kindergarten or Reception is not automatic or guaranteed, so please contact the school for a visit.

Complaints

We hope that you and your child do not have any complaints about our admissions process; copies of the Nursery's complaints procedure can be sent to you on request. It is also on the Nursery website.
