Agreed Additional Services Charge: At Berkhampstead School we take pride in offering exceptional education and care for the Early Years Foundation Stage however, the local authority funding rate set by DfE is only intended to cover the minimum requirements of the EYFS. This therefore requires funding beyond that offered by the Early Years Funding to ensure we can deliver this exceptional education as evidenced in our most recent ISI inspection report. The optional agreed additional services charge covers the following additional items: Meals/snacks (25%), Consumables (30%), Additional activities (e.g. subject-specialist teaching) (45%). This provision therefore requires funding beyond that offered by the Early Years Funding to ensure we can deliver this exceptional service and care.
