OUR PUPILS STEAL THE SHOW!

INSIDE: SUMMER ART EXHIBITION | DAY NURSERY NEWS | SPOTLIGHT ON JANET LATHAM

Thoughts from THE HEAD

What a wonderful Summer term! After a wet start, the gorgeous weather helped to make all the superb events and activities such a success. As always, we greet this term with mixed feelings as every year it is the time we have to say farewell to our Year 6; as always, though, it was an enormously fulfilling time for them. Activities included an exciting three days at Viney Hill canoeing, mountain biking, climbing and spending precious time together; the lovely Leavers' Music Recital at the Parabola Arts Centre and the hilarious 'Ye Ha!' drama production. We also witnessed their camaraderie and consideration for others at the annual Sports Day and Swimming Gala. They are a very supportive and caring group, role-modelling the Berky way for all to see. The Speech and Prize Giving Service was a fitting way to say goodbye and good luck to them and it was made particularly special by having Rebecca Vines, who left Berky in 1989, to award their prizes.

Sport is such an important part of education; it develops coordination, teamwork and leadership, it helps self-confidence and self-esteem, it enhances the children's social skills, discipline and resilience. These were all in evidence at our annual Sports Days for Kindergarten, Pre-Prep and Prep and I am enormously grateful to our wonderful staff who care so much for Sport and ensure that the children enjoy their participation in it. I am also grateful to the parents for their on-going support of the children and school at these events.

This edition of the Berky Blazer is a reflection of this busy term and I hope you enjoy reading it.

Richard Cross

Richard Cross
Headmaster

PLATINUM AWARD

The Platinum Award is aimed at recognising the achievements of the older pupils outside of the classroom and outside of school. A 'junior' Duke of Edinburgh Award, it rewards those who challenge themselves through volunteering and charity work, developing new skills, becoming more active and having adventures outdoors. Mr Cross commented: *"I have been thrilled with the Platinum Awards I have handed out this year. I am always amazed when reading about the wonderful things the children get up to outside school and this year is no exception. The children have committed to helping others, stepped out of their comfort zone - pushed themselves to new levels - and learnt many new skills. In an ever-changing world these experiences will stand them in good stead and, I hope, give them the courage to continue to learn and develop throughout their lives."*

At Berkhamstead the children are encouraged to broaden their experiences, to 'have a go' but to also be grateful for all the wonderful opportunities they have. The Platinum Award allows this, encourages this and reminds them that 'If you don't leap you'll never know what it's like to fly.' Congratulations to the following leavers who have been awarded theirs this year: Daisy O, Millie W, India R and Frankie R.

Spotlight on JANET LATHAM

Janet Latham is a much-loved teaching assistant, currently in Year 1. She joined Berky in January 1988, and worked in the Nursery (now Kindergarten). She remembers it was quite a bit smaller then, as the bottom half of the Nursery was a covered area for wet play with a sand pit and a rabbit hutch! She recalls one weekend the rabbit disappearing, but the local police had good intelligence, recovered it, and returned it safely!

What was your first job?

My very first job was as a nursery nurse in the Special Care Baby Unit. I wore a pink uniform with a white cardboard cap. I cared for poorly and premature babies. Some of my jobs would be to tube feed tiny babies in incubators and do the heel prick test - ouch! I would take the babies to their mums on the wards to feed, do bath demonstrations, bottle feeding, burping, nappy changing and of course, give lots of cuddles! I was also lucky to have the opportunity to witness every different type of delivery.

What are some of your favourite memories of the early days here at Berky?

I remember PE lessons in the old gym with Sally Dodwell. The gym was freezing cold in the winter. The staff used to stand in front of the calor heaters to keep the children safe and us a bit warmer! There were long ropes that the children used to shimmy up!

On Sports Day, the parents were very competitive in the Mums' and Dads' races, so to slow them down, we used to have 3-legged races, egg and spoon with a real egg, and sometimes even jelly on a spoon too!

And which memory is your favourite?

At Christmas, the children would find a letter from the fairies which said that because the children had been so good, they would decorate the Nursery for them. The boxes of tinsel and decorations would be left on the tables at the end of the day, and the blinds would be pulled down. In the morning, they would be amazed to see the Nursery had been transformed into a Christmas Grotto. Gosh, the 'fairies' must have been busy all evening!

What do you love most about the job?

I have been lucky to look after so many children over the years. In fact, some of them have returned as parents of their own children now. One delightful little boy, who was always smiling, and had a very sunny disposition, is now here working in the Prep. Yes, Mr Kirby is just as smiley now as he was all those years ago!

I often bump into old parents and children and it is always a delight to hear how they are getting on and how much they loved their time at Berky.

You must have heard children saying some funny things over the years?

Yes, the children come out with the funniest things, and often make me smile. Only the other week, when a boy had a particularly bad nosebleed, I asked him if he had had one before. 'Yes' he replied. 'In Reception... it was the same colour I think!'

SHERWOOD FOREST - WHERE LEGENDS GROW

The Pre-Prep hall was transformed into the most beautiful Sherwood Forest in readiness for Year 1 and 2's Summer production, 'A Tale of Nottingham.' With a backdrop of striking birch trees, the uber-talented Berky set and scenery designer Mrs Taylor commissioned all of the Year 2 pupils to paint native wildlife and plants to bring the forest to life. The results were stunning. There were song thrushes, blue tits, blackbirds, pheasants, pigeons and owls sitting on branches, and foxes, deer, rabbits, squirrels and badgers peeping from behind trees. Woodland flowers included foxgloves and primroses. This delightful song thrush was painted by Tatiana H. Well done, Year 2.

News

FROM AROUND THE SCHOOL

30 DAYS WILD

The Wildlife Trust's '30 Days Wild' initiative challenged everyone to get outside and do something with nature and wildlife every day in June, so it came as little surprise that Reception's outdoorsy advocate Mrs High embraced the scheme with gusto. Reception's 'Random Acts of Wildness' included the scattering of seeds in the wildlife garden, learning to identify wild flowers, listening to the wind whilst practising yoga, and feeling grass between little toes. The children have loved the activities, and designing and building a wild home for insects was particularly popular. The initiative has been truly beneficial to the children's wellbeing, and Mrs High observed, 'The children have certainly benefitted from 30 Days Wild. Their understanding and respect for nature has grown, and the challenge has been great fun too!' Mrs High runs Reception's weekly Forest School activities each week as well.

KINDNESS CUP

Congratulations to Pre-Prep pupils Kitty H and Carly H who were both awarded the Sally Lee Kindness Cup during the Summer term.

BERKY GETS GREENER

Mrs McInnes and her enthusiastic eco-committee have worked tirelessly this term in their quest for Berkly to become even more ecologically friendly. The Eco-committees are made up of teams from the Pre-Prep and Reception, and another from the Prep School. These eco-warriors - who meet every other week - brainstorm ideas to save energy around school, reduce litter, attract wildlife, and to recycle as much as possible. Their intention is to improve the environmental performance mainly of our school - but they are also looking towards the wider community. We have been encouraged to ditch clingfilm at home, for instance, and to remember to turn off lights and taps wherever we are. Year 5 have written letters to various businesses in an attempt to persuade them to stop using environmentally damaging items such as plastic straws

and cups. Pre-Prep staff have been melting nearly-finished crayons in order to make new ones, and staff and pupils all over the school have been much more conscious of paper wastage. Our pupils are thoroughly looking forward to eating crisps - and saving the packets - to support an initiative that recycles them into furniture! This starts in September. Mrs McInnes has been delighted with the enthusiastic response from our conscientious pupils, and is in little doubt that we will be awarded the Eco-Schools Green Flag award that the team are aiming for. She enthused: 'It has been wonderful to see the children's knowledge and enthusiasm for this project, and all of us are looking forward to what lies ahead and the changes we can make to save our planet.' To our delight, towards the end of the Summer term, we learnt that we had been awarded the bronze award - a stepping stone towards the Green Flag. Well done!

PTA NEWS

What a wonderful year it has been! All the events have been extremely well attended, and the true Berkly spirit has shone through as always!

It was decided at the beginning of the year to raise funds for a new road track playground outside Kindergarten, and amazingly, by April we had raised the full amount. It was lovely to come back after Easter to see it installed and in full use by the children!

With additional funds raised, we have also been able to purchase 18 programmable Sphero robots for the whole school to use across nearly all subjects. These will truly benefit the children and enhance their learning experience.

The last event of the year was the Berkly Summer Fayre, with an environmental theme to support the new Berkly Gets Greener Campaign. The event saw a wonderful number of people attend to enjoy a

glass of Pimms whilst watching the finalists from Berkly's Got Talent, on what was probably the hottest day of the year!

As always, our Year 6 did a great job on their own stalls raising a fantastic amount of money. Thank you to everyone who came and supported the Summer Fayre - it was a great way to end another wonderful year at Berkly.

The Wellbeing Pod has been installed and is looking fantastic; this will really benefit the children, providing them with a new space in which to learn, do group work and have space to grow.

As always, we are looking for new volunteers for the new academic year. If you feel you can support the PTA by being on the committee, being a class rep or helping out at an event, please do get in touch. We would love to hear from you.
Joey & the PTA Committee.

EXCITING Outdoor developments FOR THE DAY NURSERY

Children are naturally drawn to playing outside, which is wonderful because there are numerous benefits to outdoor play. Playing outside is fun, exciting and important for children's learning and development. Outdoor play also improves a child's mental wellbeing and self-esteem - happy children are what we strive for from the earliest age here at Berkhampstead. With all these benefits in mind, we were eager to develop our already excellent outdoor provision, and after months of careful planning, in May, we unveiled our new, rather fabulous Nature Garden.

The generous space is made up of a number of key areas, some designed to be exciting and to develop imaginations, some to encourage an appreciation of the natural world and other areas have been planned simply to provide a little peace and quiet for our busy children. The construction area contains a large gravel pit - kitted out with wheelbarrows, spades, rakes, high-vis jackets and helmets - fantastic for developing role play and language skills.

Friendships are forged as the children learn to work together to build their various constructions. Similarly, young imaginations are stretched in the mud kitchen. The children just love making pies and potions, and getting their little hands dirty.

The Wendy House has been reimagined as a 'mark making shed.' It contains a large chalkboard, paper, clipboards and bug hunting sheets - great fun for inquisitive young minds, as well as being a brilliant place to hide away. The den area also provides a hide-out for the children, a lovely space for them to escape the hurly-burly. Others are taking themselves off to the pond. They enjoy sitting on the logs and watching the fish and frogs - chatting with one another about what they can see.

Magnifying glasses are proving popular resources for the children. In the small world area, they take a close look at bugs and butterflies, and somehow, not so small creatures such as dinosaurs have managed to creep in to this area!

Green-fingered tots enjoy the digging area. All manner of gardening paraphernalia has been provided for the children, and they are encouraged to grow and look after their own plants.

We are delighted with the learning opportunities that the garden has provided. It is so important to us at Berkhampstead that the children develop a respect and appreciation of the natural world, and this is further developed in the Early Years department of the school.

KINDERGARTEN HAVE ENJOYED A VERY BUSY SUMMER TERM

The children have been thoroughly inspired by our topics, 'The Jungle' and 'The Beach'. Through child-initiated activities, they have taken ownership of their learning, and also enjoyed adult-focussed activities - both help with learning to concentrate for extended periods of time. As part of our daily sessions of Letters and Sounds, the children have been involved in a variety of activities such as listening to stories, blending simple words together and playing Bertha the Bus, a game where children learn about alliteration by naming a list of words all beginning with the same sound that Bertha would see on her journey.

Our trip to Cotswold Wildlife Park was a huge success (see page 21 for a report). We love our outdoor classroom, and the children have been investigating the new sensory areas, digging for numbers and 2D shapes, as well as using nets to catch sea creatures. The new roadway has led to a new and important part of our curriculum giving the children a greater understanding of road safety. Teaching and encouraging the children to follow road safety rules has helped them develop an understanding of how to stay safe near roads.

The Year 6 leavers of 2018 kindly bought the school a story telling chair. This has been placed in our story area where the children have been reading stories to each other and acting out their favourite books. With the new seating areas, we are now able to have class stories outside. It has proved to be a real hit with our little ones and a great resource for the school. MM

Year 6 2018
Once upon a time...

RECEPTION'S TERM WAS PACKED FULL OF INSPIRING LEARNING

After our visit to Fairy Tale Farm, the children wanted to learn about those famous stories from long ago. Each week the children were introduced to a new story, and these included Princess and the Pea, The Gingerbread Man, The Enormous Turnip and Goldilocks and the Three Bears. We looked at the characters, their homes, the morals of the story, and the layout and sequence of a traditional fairy tale. During the topic there were fantastic opportunities to retell stories using story maps, pictures, story actions and puppets, and changing the ending to the stories. The children loved exploring materials which would float and built a boat for the Gingerbread Man to escape from the fox; making porridge and using a variety of construction kits to build a bed fit for a Princess. During Forest School the children enjoyed planting peas to put under the princess's bed, built dens, and even went pond dipping!

To introduce our topic 'Wild About Animals', we took the children to West Midlands Safari Park. Reading animal stories was well received by the children and popular titles such as Walking Through the Jungle, Monkey Puzzle and Dear Zoo enthused the children to write letters, creating a class book and information posters. Throughout the term the children became expert designers and sculptors. They created their own wild animal out of clay, and they enjoyed Dear Zoo so much that they designed and created their own miniature zoo out of a shoe box.

The Early Years was overflowing with animals as Party Day got underway. The children enjoyed traditional party games with a twist, from pin the tail on the tiger to animal lotto. A picnic party lunch was thoroughly enjoyed by all before relaxing with a DVD in the afternoon. A great way to end a busy term and wonderful year! HR-W

"A GREAT PERFORMANCE FROM SUCH YOUNG CHILDREN, WONDERFUL JUNGLE SCENERY."

MRS BAREHAM, HEAD OF PASTORAL CARE

EARLY YEARS PRODUCTION
The Jolly Postman
in the jungle

The Early Years' Summer Concert, 'The Jolly Postman In the Jungle' was a great success! The children took the audience with them on the trip of a lifetime; they joined The Jolly Postman on a holiday to the jungle. The Jolly Postman had a wonderful busman's holiday meeting some very well known book animal characters which included The Tiger who came to Tea and Elmer the Elephant. All children had a wonderful time on the stage; they sang lots of lovely songs and spoke their words loudly and clearly. The children loved performing 'Rainforest Rap' which Mrs Sallis so cleverly composed and conducted. Proud parents and friends enjoyed the most fantastic performance. Thank you so much for the wonderful costumes you provided; each child certainly looked the part! HR-W

★★★★★
 “A QUIVER FULL OF STUNNING PERFORMANCES! BULLSEYE!”

MR COLE, PREP TEACHER

A PRE-PREP PRODUCTION
A tale of Nottingham

‘A Tale of Nottingham’ was the obvious choice of musical for Year 2 who had studied Castle Life the previous term. Mrs Sallis worked wonders, teaching the children the different songs, many of which were suitably medieval in style, and helping them to learn the various instrumental parts. Mr and Mrs Taylor worked their magic, transforming the whole hall into Sherwood Forest, full of woodland creatures painted by the Year 2s with the town and castle - complete with shields - on the stage. Dr Nowill, a very kind grandmother, sewed beautiful costumes for the Guards and Soldiers. After two weeks of almost daily rehearsal, the lines were learnt and the positions and actions on stage decided upon... and preparations were complete!

The audience were treated to quite an extravaganza; they were even greeted by the ‘Village Band’ - a Year 2 instrumental ensemble - as they arrived. Even Amelia, on work experience for the week, got roped in to

play the flute in the accompanying band. Supported by Year 1 as the villagers of Nottingham, the age-old tale of the wretched Nottingham folk, cruelly oppressed by the dastardly Sheriff and the upstart Prince John and how they were outwitted by Robin Hood and his Merry Men was then told by Year 2 with passion and confidence and much excellent, characterful acting. In this version, one of the town beggars revealed himself to be none other than Richard the Lionheart - back from the Crusades and wondering why his people were so disgruntled; the wicked Sheriff then got his come-uppance and all ended happily. A fantastic team effort - many congratulations to everyone involved from the very happy author! GA

Off we go...

LEARNING BROUGHT TO LIFE FOR OUR INQUISITIVE PUPILS

BRISTOL ZOO

We had a great day at Bristol Zoo with Year 3. The weather was perfect, and the children were hugely excited by all the different animals, insects, fish and birds we saw. They also had a workshop on ‘endangered animals and their habitats’ which we have been

covering in class. Would you like to have a Madagascan hissing cockroach on your hand? There was also the most beautifully coloured snake from the Amazon which they could stroke - it was surprisingly cool to the touch. The meerkat mountain, the seals and the penguins were also firm favourites, as were the vibrantly coloured but delicate butterflies. Well done to all Year 3 for a most enjoyable trip! LW

FAIRYTALE FARM

The children had a great introduction to our new topic ‘Stories from Long Ago’ with a visit to Fairytale Farm. Combining classic fairy tales, animals and adventure play, the children loved everything there! From the exciting adventure playground, an enchanted walk with a surprise around every corner, and a chance to meet amazing animals, there was so much to see and do. It proved to be a sensory and learning wonderland for everyone. The children returned from this exciting trip enthused to learn all about those famous stories. HR-W

CHEDWORTH ROMAN VILLA

The Y3 forms visited Chedworth Roman Villa for the first time this summer. A Romans expert gave the children a fascinating guided tour of the site and there was a workshop on Roman artefacts before our pupils made their own ancient medicines. A wonderful day that everyone thoroughly enjoyed! MC

SCIENCE FESTIVAL

This year the Cheltenham Science Festival was bigger and better than ever! In the Loughborough shed, Year 4 learnt about the human body, and then we had a demonstration about the Periodic Table and how it was compiled over many years starting with Dmitri Mendeleev.

The Discover Zone enabled us to get our hands on investigations such as how canal locks work, and how to programme robots. There were impressive models such as a massive inflated E coli and a jet engine that had been taken apart to show all of the internal workings.

GCHQ’s tent was filled with robots, reaction timing games and, of course, there was plenty of opportunity to code break! We also visited Hartpury College’s tent on animal science and the Creativity Tent where we were able to make fun things such as marble runs.

Our Y4 pupils have developed a real enjoyment of science, and have a fantastic, inquisitive nature. I was so proud when they were complimented on how well they approached the investigations. Well done! TM

GIFFORDS CIRCUS

A fantastic introduction to this term’s topic, ‘The Circus’, Year 1 were treated to a trip to the uber-stylish local touring circus troupe Giffords Circus to watch their latest show, ‘Xanadu’. Set during the flower power movement of the 60s and 70s, our excited pupils witnessed hippies, hipsters, rock stars and musicians performing their amazing acts such as trapeze and juggling. Tweedy the clown had us all in stitches with his crazy antics. The trip inspired a huge amount of creativity and learning among our young pupils.

★★★★★

“YE-HA! WHAT A MIGHTY FINE SHOW! A WONDERFULLY WILD MUSICAL COMEDY.”

MRS STEPHENSON, PRE-PREP TEACHER

A PREP PRODUCTION

Ye-Ha!

This year the Year 6 play was a 'rootin' tootin' show set in the Wild West little ol' town of Slodge City. With the terrifying McNut and his gang of no good hoodlums terrorizing the town, it seemed as if there was no hope for poor Ma Hubbard and the townsfolk. Luckily, the arrival of Billy-Jo, a fearless cowgirl, and help from Wilbur, the hapless but lovable sherriff, meant the town's luck was about to change.

The Year 6 came together with great gusto and in just over two weeks put together a truly brilliant show. Their comic timing was faultless and every single one of them took on their characters bringing the show to life. They threw themselves into the songs and the dance routines - box stepping, do-si-do-ing and line dancing which did the Wild West proud. They worked as a team and encouraged each other along the way. Both evening performances were a huge success with laughter and cheers from the audience. They have proved themselves to be confident and talented performers but most importantly their enjoyment shone through. They should be immensely proud of themselves - it has been a joy to work with them. Well done Year 6 - a great end to your time at Berky - you deserve a huge 'Ye-ha!' BE

ROLL UP, ROLL UP, ROLL UP WELCOME TO THE BERKY CIRCUS!

What a busy time Year 1 had when the circus came to town. The term predominantly revolved around geography and history through the study of past and present circuses and how they travel. The topic kicked off with a thrilling circus skills workshop, and the children were able to try their hand at numerous circus acts including plate spinning and juggling. In English the children spent a long time writing circus poems that were inspired by the five senses. They also made circus posters using exciting adjectives. We were thrilled with our visit to the wonderful Giffords Circus - see report on page 9. With experience of modern day circuses, the children were then able to study how circuses have changed over time, and this prompted discussions on animal welfare and health and safety! Year 1 loved exploring the creative side of the circus during art and DT lessons. Some beautiful circus performers were painted and some very detailed circus dioramas were made using collage, clay and paint in shoe boxes. Everyone was excited to design, sew and decorate circus-themed puppets! The results were very colourful and a great starting point for creating characters for story writing about the circus. LL-K

YEAR 2's TOPIC 'GROWTH' HAS BEEN INSPIRING AND GREAT FUN!

The Summer term will be remembered for the cold damp weather for most of the term. Year 2's term began with a gardening day sowing various seeds in the ground or in pots. The children were excited to see the first signs of growth with the keen gardeners keeping a watchful eye on the vegetable bed. The topic, of 'Growth' progressed, the children learning many facts about plants, before moving on to minibeasts, discovering which are gardeners' friends. So many children have spent their playtimes creating habitats for creatures to occupy or hunting for different insects; fully grown ladybird larvae have gained the highest tally. The visit to Nagshead Nature Reserve for pond dipping and woodland searches allowed the children to observe strange adaptations of pond insects. My proudest moments of the term were probably the performances at both the Cheltenham Festival of the Performing Arts, and the play 'The Tale of Nottingham' where every single child gave their all. The songs and music are still playing in my head. The term finished with map reading and orienteering around Pittville Park. Thank you Year 2 for your enthusiasm and hard work over the term. SO

CHARITY NEWS

We were so proud of Lorien S, one of our very kind-hearted Year 6 pupils, who raised an incredible £1400 for Bettridge School. Bettridge is a specialist school for pupils with SEND, which her older brother attends. This enterprising pupil was inspired by Mr Banks's 'Fiver Challenge' to turn £5 into profit. For this, she collaborated with her pal Anna to make slime and sell it to her Prep School comrades one break time. She cashed in on her newly discovered business acumen by then selling herbs from her garden to her neighbours, and the profits increased dramatically through a 'Just Giving' page set up by her Dad. Well done, Lorien. In other charity news, what an achievement it was to raise £1000 for Acorns Children's Hospice this year. Thank you, everyone.

CHESS NEWS

It's been another very busy - and very successful - year for Berky's young chess players. The school team topped the District League (and claimed the Harris Shield) for the fourth year in a row although lost the District Knock-Out Cup final against Richard Pate by a narrow (4-2) margin. Many congratulations to our splendid captain, Edith H and her loyal team mates, Griff L, Rupert G, Oli S, Jonathan B and Finian C. Edith also skippered the Cheltenham Schools

MUSIC NOTES

Following the musical extravaganza of our ensembles in the Spring Concerts, the summer term is an opportunity for more individual challenges and demonstrations. Most Beginners from the start of the year are forging ahead, making great progress and ready to perform. We heard delightful musical items from a wide variety of players in Years 2-5 at the Recital held in May; the concert was exciting as they overcame any nerves and performed confidently.

The Cheltenham Festival classes offered an opportunity for some advanced players to perform for an Adjudicator. The Chamber Ensemble showed once again what very fine skills of playing they have developed and performed beautifully in their class, winning a cup for an 'Outstanding' performance.

The first half term ended with a lively Taster Afternoon for pupils to learn more in depth about individual instruments. Our enthusiastic team of marvellous peripatetic music teachers supervised about 100 'Try out' sessions from which many children have registered an intention to start learning instruments in September.

team against Gloucester Schools. Jonathan, Griff, Rupert and Oli also represented Cheltenham. Gloucester just pipped Cheltenham 5.5-4.5 to win the Peter Harrison Cup in a tense match hosted by Berkhamstead. The summer term is traditionally less busy chess-wise but at school the House Chess tournament was retained by St. Patrick's. Finian C captained his unbeaten St. Patrick's side with real pride. Our chess team played a most enjoyable friendly match against a senior

A wonderful evening of performances from Y6 pupils entertained a most appreciative audience of family and friends at the Parabola Arts Centre in June. The Leaver's Recital is always a highlight of the year, thrilling to watch and hear the range and ability of young players and singers, and also to celebrate their final performances for us at Berky. PM

MUSIC EXAM RESULTS

- Prep Test Piano:** Katie C
- Grade 1:** Isabella E (Clarinet), Charlotte B (Piano), Jasmine M, (Violin*), Alex D (Drum Kit*)
- Grade 2:** Hazel C (Viola), Luke F (Cornet), Emily G (Violin), Beatrice D (Cornet*), Otto B (Cornet*), Rosemary B (Clarinet**), Will S (Cello*)
- Grade 3:** Eleanor T (Double Bass*)
- Grade 4:** Griff L (Piano), George R (Violin*), Andrew P, (Cello*)
- *Denotes - Pass with Merit **Denotes - Pass with Distinction

school team from King's Gloucester (featuring several ex-Berky pupils) and prevailed 4.5-1.5. The Year 2 club started up this term with lots of young players taking their first Berky chess steps. As ever, the older children loved teaching the younger ones. Edith H, a wonderful captain and ambassador for Berkhamstead chess, was awarded the Howard Cup for Chess at Speech Day. There are many hugely promising players coming up through the ranks so the 2019/20 season should prove very exciting. MC

an enlightened leader who believed that happiness was key to children's success in learning. She also particularly loved music and felt that it had a valuable contribution to make to every child's overall development. Now, in 2019, we still very much value Mrs Andrews's school motto, 'Perseverantia Vincit' and hold to her educational ethos whilst also incorporating the best of more contemporary educational ideas.

Our Kindergarten offers a stimulating and nurturing start to school life with the bonus of close involvement with the Reception classes and the benefit of all Berkhamstead has to offer; transition from year to year is straightforward due to the familiarity of both teachers and environment. The youngest children join with Reception for assemblies and Drama productions such as the Nativity play, and their confidence grows quickly. Once in Reception, our small class sizes - a maximum of eighteen children - enable the teachers to know the children really well; the pastoral care that the children receive is second to none. The stylish Early Years Values Tree in the Andrews Centre lobby reflects the importance we place on qualities such as kindness, perseverance, honesty, trust and politeness and highlights children who demonstrate these. There is a real 'family' feel throughout the school - plenty of positivity and hugs! This is also noticeable during the traditional-style 'sit-down at the table' lunch; the daily two-course lunches are freshly cooked on site by our caterers, Palmer and Howells, and served by the teachers who encourage good table manners. We also provide after-school care - including a yummy tea - until 5.30pm as well as a Holiday Club specifically designed for younger children.

Working towards the Bristol Standard has ensured a rigorous approach and constant improvement to every aspect of Early Years provision. From the beginning, the children get to know our subject specialist French, Music and PE teachers through their weekly visits as well as learning and discovering each day with their class teachers and Early Years Practitioners. Clubs include Ballet and Supastrikers, and there is now a Yoga Club, imparting useful mindfulness and relaxation techniques to the children. Other recent innovations have been weekly Forest School sessions, either in our beautiful Wildlife Garden or off-site, the well-equipped covered area complete with sensory garden and story-telling chair and the road track, so useful for learning all about road safety...and Winston the Early Years tortoise is on his way to join us, much to everybody's delight!

And beyond the Early Years? Unlike the majority of schools, Berkhamstead continues to provide a broad, holistic education focusing on all the aspects specified for the Early Years right up to when our children leave us aged 11. Education should be broad and should prepare children to be responsible, caring citizens. From Year 3, the children are taught by specialist teachers - all passionate about their subjects and keen to inspire the children to enjoy them too. All kinds of extra learning opportunities await: sport and music, modern languages and clubs, trips and enrichment activities; our children can all find something they enjoy, and something at which they can excel.

GILL AGG
DEPUTY HEAD

**BERKHAMPSTEAD
SCHOOL -
SMALL CLASSES,
HAPPY CHILDREN,
EXCELLENT RESULTS!**

FIRM FOUNDATIONS

The powers that be certainly got it right when they formulated the guidelines for the Early Years Foundation Stage! The Department of Education stipulates that young children require a broad and balanced curriculum involving activities and experiences that cover seven interconnected areas of learning and development; the three Prime areas are Communication and Language, Personal, Social and Emotional and Physical, and the four Specific areas - through which the three prime areas are strengthened and applied -

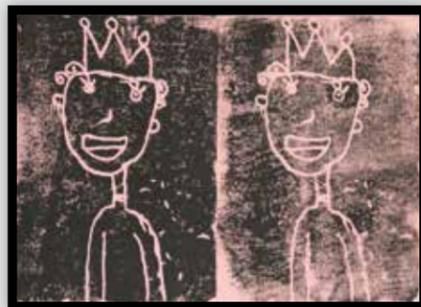

are Literacy, Mathematics, Understanding the World and Expressive Arts and Design. There are also four overarching 'guiding principles': that every child is unique, that every child can learn to be strong and independent through positive relationships, that children learn and develop best in enabling environments and that children learn and develop in different ways and at different rates. All over the country in every school, therefore, Pre-School and Reception children should be enjoying a truly holistic education, largely taught through play and

assessed through discreet observation in the classroom using the Early Learning Goals. Not only that but the government offers 30 hours of free childcare so that parents of children under five can receive an attractive discount.

So how does Berkhamstead's Early Years provision compare with that of other schools and settings? Why should parents choose Berkhamstead when - theoretically - every Early Years setting is providing a tip-top start to children's education? Berkhamstead was founded in 1945 by Mrs Edna Andrews,

Viera M, Y5, Hundertwasser study

Asia D, Y1 pop art inspired prints

Millie R, Y1, Self portrait

India R, Y6, animal study in oil pastels

Anna A, Y4, ceramic tile

SCREEN PRINTING WORKSHOPS

After the success of his London workshop with last year's Year 6, arty teacher Tim Davies was invited back to school to create another collaborative work of art with our current Year 6 - and this year, Year 2 were treated to a dedicated art day too. Both years turned their hands to the technique of screen printing. Year 2's theme was insects on canvas, while our oldest pupils created striking Cheltenham architecture-inspired designs, complete with insect details.

Summer Exhibition

THE CREATIVE WORK OF EVERY PUPIL FROM KINDERGARTEN TO Y6 CELEBRATED IN OUR ANNUAL ART EXHIBITION

The creative and innovative work of every Berky pupil from Kindergarten to Year 6 was celebrated in our annual art exhibition.

Now in its fifth year, our Summer Art Exhibition took place immediately after half term. Always a crowd-puller, the exhibition showcased the work of each child from Kindergarten to Year 6, from self-portraits lovingly painted by our Kindergarten children, Pop art-inspired prints by Year 1, Monet's Waterlilies-inspired Year 3 collages to striking animal studies created by our talented Year 6 pupils; the art on show was both diverse and appealing.

Ceramics included Year 5 cakes, Year 4 ceramic tiles and castles by Year 2. The standard of work this year was once again exceptional, and Michelle Bareham, Head of Art commented, "The Art Exhibition is always a special occasion, as it brings together the whole Berky community. This year we were delighted to welcome work from Kindergarten too."

The Summer 2019 exhibition was a huge success, and we look forward to seeing more of the fantastic efforts of our pupils next year.

Toby M, KG, collage monkey

Benjamin J, Y3, Monet-inspired waterlily collage

Edward S, KG, clay kiln-dried snake

Jack F, R, 'special things' collage monkey

Primrose P, Y3, Egyptian head

Alex D, Y5 silk painting inspired by Klint

Y5 ceramic cakes inspired by Wayne Thiebaud

Berky pupils call the shots

SPORTS DAY

What a great day: the sun was shining the birds were whistling and the children were shouting for their houses! During the morning all pupils got the opportunity to perform in four different field events with some fantastic throwing and jumping. All the children performed to the best of their ability and worked hard to beat their previous throw or jump. After a much-needed lunch break it was time for the track; the parents were flowing in, the sun was out and the children were refuelled ready to go again! It was such a great sight: so many children trying their best and supporting one another, whether that be running alongside to give them a boost or cheering from the side lines. Fantastic atmosphere and a fantastic day. Well done to all that took part. CK

RECORDS BROKEN

Congratulations to Patrick D for breaking the Year 4 boys' 400m, the Year 4 boys' 75m, Year 4 boys' long jump and the Year 4 boys' standing broad jump; Lincoln H for breaking the Year 5 boys' 600m, the Year 5 boys' shot put; Jonathan B for breaking the Year 5 boys long jump; Max C for breaking the Year 5 boys' standing broad jump and Harry M for breaking the Year 4 boys' quoit throw.

THE VALUE OF SPORTS DAYS CANNOT BE UNDERESTIMATED. THE LIFE LESSONS LEARNT WHEN CHILDREN COMPETE ALONGSIDE AND AGAINST THOSE THEY MEET EVERY DAY AT SCHOOL ARE INVALUABLE. IT WAS A JOY TO WITNESS THEIR EFFORT, CAMARADERIE AND ACHIEVEMENT .

RICHARD CROSS

ATHLETICS CHELTENHAM AND DISTRICT PRIMARY SCHOOLS' ATHLETICS CHAMPIONSHIPS

At the beginning of the evening, Becky F won the Year 5 600m race making her District Champion. Becky ran a fantastic race, pacing herself and finishing by a clear distance. Maisie, Otto, Lilah, Patrick, Lincoln and India all qualified for the individual sprint finals. There was some good competition on the night, and we got some good results; Patrick came 1st in the final and Lincoln 2nd. We had worked hard on our handovers for the relay and with a little nerves myself, the teams went off to their positions. The following teams got through to the finals and came home with a medal; Yr 3 girls 2nd, Yr 4 girls 1st, Yr 4 boys 3rd, Yr 5 boys 1st and Yr 6 girls 2nd. Overall, we were placed 5th, meaning we will stay in the Small Schools' division. Well done to all the runners who attended the event; it was a superb effort by all. CK

SWIMMING GALA

All four houses were ready to take on the Swimming Gala, some maybe a little jaded from sports day! It was so good to see, everyone involved and participating the best they could. Through the morning there were various winners with each house collecting valuable points. There were no records broken this year but nonetheless it was a great event. The amount of cheering and words of encouragement I heard over the morning made me proud to be part of the Berkhamstead family.

The winning house was St Patrick's. Well done to everyone. CK

EARLY YEARS & PRE-PREP SPORTS DAYS

PRE-PREP SPORTS DAY 2019

It was a glorious sunny day for the Pre-Prep sports day. All 6 classes took part in field events during the morning session. They got the chance to perform the long jump in the sand pit, speed bounce, bean bag aiming, quoit throwing and javelin. There was amazing support coming from all the classes towards one another. Everyone worked hard and there was some brilliant jumping and throwing. After a spot of lunch, we went back out to the MUGA for some track events. With an energetic audience and sweltering weather, the children stepped up to the challenge. They worked hard on all the events: obstacle course, sack race, egg and spoon, sprint and fast relays! It was a lovely atmosphere and a brilliant way to end the year. CK

KINDERGARTEN SPORTS DAY

As the parents sat excitedly in their seats the Kindergarten athletes walked out to their mats! They were ready to run, walk, balance and crawl. It was a warm sunny morning, but the Kindergarten children didn't let this slow them down, they worked hard on completing the events to the best of their ability. There was some fast running and some brilliant hand overs during the relays. The ice lollies were much appreciated at the end of all the events. I was so proud of the Kindergarten group; they have worked so well this year. Well done. CK

Off we go...

LEARNING BROUGHT TO LIFE FOR OUR INQUISITIVE PUPILS

WEST MIDLAND SAFARI PARK

Reception buckled up and held on tight and went on safari! We saw zebras, Congo buffalo, greater one-horned rhino, cheetahs, African lions, tigers and elephants. Seeing the pride of lions roaming around to the side of our coach was thrilling! Our park ranger shared interesting facts, and pointed out plenty w of animals. The Land of the Living Dinosaurs was brilliant with its life-size dinosaurs complete with sound and movement. At the penguin house, we particularly loved watching them having fun! It was a great day, and the children returned very enthusiastic to find out more through our topic 'Wild About Animals'. HR-W

VINEY HILL

After lunch on the first day, the children began their activities. Some disappeared down to the lake, some headed off to the bike trails and others took up the challenge of climbing and crate stacking. Our leaders were excellent, and the children loved their activities - supporting each other with plenty of laughter! Mr Cross arrived in time for a night walk through the woods. The children had to make dens to withstand certain conditions - it was entertaining listening to their presentations! Thursday brought a full day of activities, and the leaders were very impressed with the children's manners, enthusiasm and 'have a go' attitude. The new activities of biking and canoeing were enjoyed, but it was also good to have some of the old favourites from the Year 5 trip. That evening we enjoyed a barbeque and sat round the campfire toasting marshmallows and reflecting on the day - such a special time. It was a fantastic residential. JH

BLACK COUNTRY LIVING MUSEUM

The Year 5s had a wonderful day at the Black Country Living Museum, following the lives of two Victorian children. Our route included a visit to a pawn brokers, a hardware store, a trip down a mine and a lesson in a Victorian classroom. The children learned huge amounts about the life of a Victorian child. PMcC

LOWER MOOR FARM

Year 3 went to Lower Moor Farm to support their topic about helping plants grow. A game based on what seeds need to grow (water, air and warmth) showed us that very few seeds actually grow. In another game, each pupil was given a picture of a plant and they had to find somebody who had a picture of what the plant might be used for (e.g. cotton and a T-shirt). We made a collage of seeds found at the farm and discussed how different seeds are dispersed.

In the afternoon we focussed on minibeasts, and then had a go at pond dipping. We were amazed at the variety of little animals that live within a small area of a pond. We had a lovely day. I was proud that we were able to answer correctly the majority of questions asked. Well done. TM

SULGRAVE MANOR

Dressed as Tudor children, Year 4 experienced the lives of the rich and poor during Tudor times, as we toured the Manor house and grounds. They looked at food, jobs, accommodation, illness and medicine. As the owner of the Manor was a wool merchant, the children had the opportunity of spinning wool, a job they were likely to have done in the 1500s. We then had great fun, acting out a Mummer's play. It was a fantastic trip where the children were able to get a real taste for life as a Tudor. PMcC

COTSWOLD WILDLIFE PARK

Our Kindergarten trip to Cotswold Wildlife Park was a huge success with the children making the adults extremely proud with their impeccable behaviour. There was great excitement when we saw Asiatic lions, zebras, red pandas and so much more. The children were so inspired by the animals and reptiles that when we returned to Kindergarten, they created clay snakes and we displayed some in the school's art exhibition. MM

L'ARTISAN RESTAURANT

Year 4 visited the lovely little French restaurant in town called L'Artisan, which is run by a French family who are originally from Provence. The trip enabled the children to speak French to French people in a real situation - namely, ordering food - and they did this very well. They could choose crêpes au sucre, crêpes au chocolat or crêpes à la confiture d'abricot. They also ordered drinks. Elisabeth, the owner, was wonderful with the children, speaking entirely in French and teaching them the vocabulary for the cutlery which they had to say correctly before being allowed to order their crêpes! The children also spoke to Caroline, a chef-in-training from the Caen Academy in Normandy.

The crêpes were absolutely 'délicieux', and manners nearly flew out the window with many children asking if they could lick the plates clean! Quelle horreur! C McC

U8 SQUAD

We had two matches this year. The first was against Dean Close. Both Bisons and Buffaloes played really well and won their matches. Our second match was with The Richard Pate School. As a change to usual we decided to mix all of the boys together to make 4 mixed schools teams that then played against each other. The fixture went well with all of the boys enjoying their game. We are pleased with how the boys have taken up cricket this term. There are a lot of difficult skills to pick up, especially with the bowling. Our boys have worked hard and shown an improvement throughout the term. Well done. TM

U8 Team: Reuben A, George B, Samuel B, Richard D, Jacob D-T, Jacob F, Max H, Benjamin I, Edward M, Felix S, Otto S, Barnaby W, Max Y.

U9A SQUAD

As the stats show we were unbeaten and the U9As should be delighted to achieve five wins with all the boys improving their cricketing skills throughout the season. All 10 of the team took wickets; the top wicket takers with 4 each were Henry R, Rufus, Patrick and Will C. Oli and Henry R opened the bowling which isn't always easy; they were steady and accurate and often kept the opposing teams opening batsmen's runs down to less than 10 runs. Will J and Harry were very effective in the middle order; both improved with the bat and ball throughout the season as did Rufus and Henry T who took 6 wickets between them and scored freely against Rendcomb and King's. Patrick and Will C proved as a pair, they were the top bowlers with 4 wickets apiece. They were at the finishing end of the team's bowling performance and were very effective at keeping runs to a minimum if the batting side decided to hit out. All the boys scored runs and their batting improved immeasurably as the season progressed. Henry R and Oli shared the top batting averages with Will C and Patrick closely followed by Freddie

and Albie B who batted superbly in the middle order particularly against Dean Close. Well done boys, you should be very proud of your unbeaten performances this Summer. SM

U9A Team: Harry A, Freddie B, Albie B, Will C, Patrick D, Rufus H, Will J, Oli M, Henry R, Henry T.

U9B SQUAD

The U9B team enjoyed the summer term and made some great progress with their cricket. They have played some entertaining matches with a mixture of wins and losses. Fine wins against Rendcomb and Beaudesert stand out. Batting has really developed, with many of the boys hitting boundaries in some exciting performances. Bowling is becoming more accurate and there has been great energy shown in the field. Well done boys for a really enjoyable season. PMcC

U9B Team: Robert A, Albert B-C, Michael C, Charles C, Harry M, Luke R, William S, Mateo S, Hugo W.

U10B SQUAD

It's been a successful season for the U10B cricket team. The weather forced us to cancel a couple of games at the start of the season, but it perked up quickly and we finished in glorious sunshine. There have been some excellent matches this season. One highlight was the St Edward's match where the boys played some super cricket. The boys took every run that they could, their bowling was accurate, and the fielding was disciplined. This resulted in a well-deserved win, by 34 runs. They also had good wins against Hatherop and Cricklade Manor; when superb fielding from all the team restricted the score for the opposition.

The boys have worked hard in training and taken on board the advice that they have been given. They have bonded as a team and given each other lots of encouragement and praise. RC

U10B Team: Ethan A, Jonathan B, Otto B, Ellis F-M, Rupert G, Ollie S, Alexander S.

BOYS' CRICKET STATS

	PLAYED	WON	LOST	DRAWN
U9A	5	5	0	0
U9B	5	2	3	0
U10B	7	6	1	0
U11A	11	7	3	1
U11B	6	5	1	0

U11A SQUAD

The U11A team have enjoyed a successful season, winning the majority of their matches and playing an exciting brand of cricket. Victories came against Bowbrook, Beaudesert, St Edward's and Cricklade Manor; as well as an all Year 5 victory against Dean Close. We also performed well in the Cheltenham Schools' Knockout trophy, finishing third overall.

Luke captained the team superbly and made great contributions with the bat and behind the stumps. George developed into a fine opening batsman and Alex dazzled opponents with his leg spin, in addition to some exciting contributions with the bat.

What was very encouraging was the way that all of the boys made contributions in matches with either bat or ball. Our fielding improved greatly over the course of the season and we were able to pressurise opponents when batting.

The attitude of the boys was very pleasing. They worked well as a team, encouraged each other and celebrated each other's successes. They have been superb to coach and have made lots of individual improvements through the term. Well done boys, for a fantastic season! PMcC

U11A Team and colours awarded to: William B, Finn C, Alex D, Jack E, Luke F, Lincoln H, Seb L, Griff L, Andrew P, George R, Harry W, Jonny W.

Outstanding awards: Luke F, George R, Alex D.

U11B SQUAD

The U11B team played some very pleasing cricket this term. Indifferent weather led to one or two games lessons being cancelled but, generally, sunshine prevailed.

The boys started the season with a match against Bowbrook which was a convincing win, a great way to start the cricket season. Next, they played against Beaudesert and this was a tough match, but the fielding wasn't up to scratch and it resulted in a loss. The boys bounced back from this with a very good win against Richard Pate and another win against St Edward's. Next, they travelled to Cricklade Manor; and this was tight match but another win for the boys by a margin of just one run. Finally, there was a match at the Victoria Ground against Hatherop and the boys played well here to secure a good victory.

The team trained with enthusiasm and listened to advice well. The boys' attitude was first rate throughout the season; they encouraged each other sensibly during each match. DB

U11B Team: Oscar A, Jensen A, Otto B, Max C, Oscar H, Lincoln H, Seb L, Archie L-B, Edward S, Alessio T, Noah W.

GIRLS' CRICKET

With rounders slowly becoming a distant memory, the girls stepped up to the challenge of learning cricket. A few of the girls have played a little cricket over the last few years either at school, during lunchtime, or at outside cricket clubs. All of the girls have worked really hard this term to understand a new sport; I think they should be very proud of themselves.

We have covered all the basics of Kwik cricket this term and it was been brilliant to watch all the girls develop as the term has progressed. All year groups have managed to hit a couple of 4s and a few 6s this season. Unfortunately, due to a few weeks of very wet weather we missed out on a few games but in the games the girls have played they learnt a lot and enjoyed themselves. Whilst at the Kwik I was impressed with how much the two teams improved their bowling throughout the day. All the girls have worked hard on bowling with the correct technique and we have been one of the few schools this term that has used the correct bowling technique.

I am already looking forward to next summer when the girls will be a step ahead already.

Well done to all the girls for persevering with the basics and getting them right.

U11 Team: Varnika B, Simran D, Bea D, Emily G, Sophie G, Edith H, Lizzie H, Georgie J, Eloise M, Daisy O, Frankie R, India R, Hattie S, Lorien S, Emma S, Anna T, Millie W.

Cricket colours: Daisy O and Beatrice D.

U10 Team: Isla A, Daisy B, Poppy B, Charlotte B, Joy C, Hazel C, Darcey C, Cressie F, Becky F, Viera M, Phoebe M, Jasmine M, Kimora P, Eleri W, Grace W, Bella W, Eleanor T.

U9 Team: Serena A, Anna A, Lottie A, Jennella A, Rosemary B, Lilah C, Uma C, Isabella E, Matilda E, Hannah H, Holly H, Matilda H, Aurielle M, Bea-Bea M-D, Beatrice N, Elodie O, Lucy P.

U8 Team: Georgia A, Ellie A, Ellie B, Zoe B, Nancy B, Katy C, Thea C, Hannah D, Sophia E, Chloe E, Lucinda F, Maisie G, Isabel G, Kitty H, Vivienne H, Ena M-L, Primrose P, Kate P, Isla R, Zoe S, Alice S, Hetty W, Sydney W.

GIRLS' CRICKET RESULTS

U11 Cricket Tournament

U10 Team

- v St James - Won 259-5 to 243-5
- v Bishops Cleeve - Won 269-1 to 267-1
- v Berky U11 - Won 261-4 to 233-3

U11 Team

- v Grangefield - Won 243-2 to 213-4
- v Warden Hill - Won 266-2 to 233-5
- v Brockworth - Lost 231-3 to 261-2
- v Berky U10 - Lost 233-3 to 261-4

U11/U10 Team v The Richard Pate School

- Team 1 - Lost 238-4 to 286-0
- Team 2 - Lost 306-277

U11/U10 Team v St Edward's

- Team 1 - Won by 7 runs
- Team 2 - Lost by 30 runs

U8 Team v Dean Close

- Team 1 - Won 223-221
- Team 2 - Won 274-201

U8 Team v The Richard Pate School

- Red Team - Lost 251-1 to 260-1
- Yellow Team - Lost by 1 run
- Green Team - Won by 1 wicket
